*Bridge Community Bank's
Internet Commercial Services*

How does this help my business?

Running your business is your first priority. That is why we're working hard to make business banking more convenient.

We offer Internet Commercial Services that will save you and your employees time, streamline processes and offer increased privacy in a secure environment.

electronic federal tax payments

Service allows you to initiate an "ACH CREDIT" for different types of federal tax payments (i.e. 941 payroll tax deposits) directly. Our system will create the ACH credit to the US Treasury in accordance with Federal tax payment requirements.

Statements/History:

Manage your accounts 24 hours a day, 7 days a week.

Depository Transfers:

Transfer funds between your account(s) with our financial institution or other financial institutions.

*Spend less time in line and more
time on your business!*

payroll direct deposit

Save time and money by directly transferring payroll to your employee's financial institution. Eliminate the cost of writing and processing of checks.

Collect Payments:

Use our Collect Payments template to originate EFT payments from your consumer accounts.

Positive Pay Check Reconciliation:

Produces automatically generated reports that monitor checks clearing your account.

wire transfer origination

Initiate wire transfer requests via our secure messaging system. Reduce paperwork and conduct wire transfers from your desk - no need to visit the bank! Maintain control by using repetitive templates and dual control.

Online Bill Pay:

Streamlines processes, saves time, money, stamps, checks and envelopes. Get better organized by scheduling bills in advance - and you can easily retrieve up to 6 months of your bill payment for reconciliation.
